About SingPost

SingPost is a household name in Singapore with strong brand recognition. It is the dominant provider of domestic and international postal services in Singapore. It is one of the most efficient and profitable postal operators globally and offers customers a one-stop logistics business and retail distribution network in Singapore.

With a highly efficient mail delivery services system utilising a sophisticated distribution infrastructure and advanced mail processing technology, SingPost estimates that it has achieved domestic mail market share of greater than 95 per cent. It believes that its Spring joint venture is a market leader in private cross-border mail solutions.
